

Accessibility Statement

Last updated: September 2025

1. Commitment

AquaScape Design is committed to ensuring that our website www.aquascapedesign.co.uk is accessible to all users, including those with disabilities. We continuously improve our site to meet accessibility standards and provide an inclusive experience.

2. Standards

Our goal is to comply with the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA, which are internationally recognised standards for web accessibility.

3. Measures Implemented

- Clear navigation and consistent layout.
- High contrast between text and background for readability.
- Alternative text for images.
- Responsive design optimised for desktop, tablet, and mobile.
- Support for keyboard navigation.

4. Ongoing Efforts

We regularly review our website to identify and fix accessibility issues. Updates are made as part of our development process and content management.

5. Feedback

If you experience difficulty accessing any part of our website, please contact us at info@aquascapedesign.co.uk. We take accessibility seriously and will work to address issues promptly.

6. Legal Compliance

This statement is made in accordance with the UK Equality Act 2010 and The Public Sector Bodies (Websites and Mobile Applications) Accessibility Regulations 2018. While AquaScape Design is a private business, we voluntarily adopt these standards to provide the highest level of accessibility. We cannot guarantee compatibility with all assistive technologies, browsers, or custom user settings.
